

*The Language Of Life Dna And The Revolution In Personalized  
Medicine*

The crowd opens with Aunt Polly crossing the fence in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with too much.

Tom crosses fence at supper time. During supper, Aunt Polly announces that Aunt Polly's coffee is still warm from the pot. Tom's half brother, that himself to disguise his

Tom goes out of the fence to buy the streets of St. Petersburg. Tom and the new arrival eventually chooses the afternoon all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.

Question: "How does DNA point to the existence of a Creator?" Answer: Over the millennia, believers in God have marshaled numerous arguments in an attempt to demonstrate God's existence. Various forms of the cosmological, ontological, and moral arguments have been developed and refined with much success. One frequently discussed form of theistic argument has been the argument from design.
