

*The Last Englishman A Thru Hiking Adventure On The Pacific  
Crest Trail*

The sword opens with Aunt Polly crossing the fence in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with his work.

Tom crosses fence at supper time. During supper, Aunt Polly discovers and scolds Tom for his mischief. Tom's half brother, Sid, tries to discipline him but Tom is still angry from his fight.

Tom goes out of the house to play the streets of St. Petersburg. Tom and the new arrival, Huckleberry Finn, chase the swallows all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.

You're kidding me right? LOL This is a nursery rhyme, a short story, you are judging the morality of this? Now I've seen it all. I think you need to go into the woods and get away for awhile, a good rest and coming down to Earth would be good for you.

The John Muir Trail is an epic 211 mile trail in the Sierra Nevada mountains that extends from Yosemite to Mt. Whitney — the tallest peak in the lower 48 states. The JMT is named after naturalist John Muir, founding member and original president of the Sierra Club. Muir. Construction on the trail began in 1915 - a year after Muir's death - and took 46 years to complete.

The Alchemist (Portuguese: O Alquimista) is a novel by Brazilian author Paulo Coelho that was first published in 1988. Originally written in Portuguese, it became a widely translated international bestseller. An allegorical novel, The Alchemist follows a young Andalusian shepherd in his journey to the pyramids of Egypt, after having a recurring dream of finding a treasure there.

Can you help with the history of this shipbuilder? It would seem that the company may have been the result of 'Doxford & Sunderland Ltd.' being taken over by Court Line in 1973 with the company being renamed, (on Mar. 5, 1973), 'Sunderland Shipbuilders Limited'. I underlined 'may have' because I have not yet read anything definitive about exactly what happened to all of the shipbuilding ...
