

*The Last Mrs Parrish An Addictive Psychological Thriller With A
Shocking Twist*

The novel opens with Aunt Polly arriving for dinner in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she has been put away with her work.

Tom escapes home at supper time. During supper, Aunt Polly discovers that Tom's hands are still covered with jam. Tom's half brother, Huckleberry Finn, tries to help Tom but Aunt Polly is satisfied, and Tom has earned the right to go to school the next day.

Tom goes out of the house to play with his friends along the streets of St. Petersburg. He and the boys spend their time playing pranks and eventually discover the secret of the graveyard.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.
